Our Company

OCEANSKYLAND EXPRESS LOGISTICS PRIVATE LIMITED (OEL) is a leading logistics company specializing in end-to-end solutions. Offering comprehensive services such as reefer solutions, cold chain management, freight forwarding, customs clearance, and road transportation, OEL ensures efficiency, reliability, and real-time visibility for global supply chains. With decades of experience, OEL provides businesses with streamlined logistics solutions for seamless operations and on-time delivery.

Vision

To be the preferred global logistics partner, helping businesses maximize competitive advantage through innovative, seamless, and sustainable logistics solutions.

Mission

OEL is committed to delivering exceptional logistics solutions with reliability, efficiency, and professionalism, ensuring clients' products reach their destinations safely and on time.

WHY CHOOSE US?

Comprehensive End-to-End Services

OEL offers a complete suite of logistics services, from warehousing and freight forwarding to customs clearance and cold chain management, enabling businesses to manage all aspects of logistics through a single provider.

Specialized Reefer and Cold Chain Solutions

OEL excels in the transportation and management of temperature-sensitive goods, offering robust cold chain services that ensure goods are safely transported and stored within required temperature ranges.

Global Reach with Local Expertise

OEL's services cover a global network, backed by deep local knowledge in various regions, ensuring efficient, on-time delivery with a tailored approach to each market.

Real-Time Tracking and Advanced Technology

OEL's investment in technology offers clients real-time visibility, allowing them to track shipments, optimize decisions, and resolve issues proactively to maintain supply chain efficiency.

OUR SERVICES

Warehousing

Our state-of-the-art warehousing facilities are strategically located to offer optimal storage and distribution solutions. We provide a secure environment for your goods, coupled with advanced inventory management systems to ensure accuracy and accessibility.

Logistics

With a focus on optimizing operations, our logistics services are designed to enhance the efficiency of your supply chain. From inventory management to order fulfillment and beyond, we tailor our services to meet your unique needs.

Transportation

We pride ourselves on our ability to offer a comprehensive range of transportation services, including air, train, and road. Our extensive network and fleet of vehicles are equipped to handle deliveries of any size, ensuring your goods reach their destination on time and in perfect condition.
